

NGUYEN THI THUY TRANG

BUSINESS ANALYST INTERN

☎ 037 9000 943 ✉ ntthuytrang2004@gmail.com 📍 Linh Xuan, Thu Duc

OBJECTIVE

- **Short-term goal:** Build a solid foundation in business analysis by deepening my knowledge of data analytics and business operations. I aim to apply these skills in practical projects, learning how to translate business needs into actionable insights using BI tools and analytical methods.
- **Long-term goal:** Grow into a strategic Business Analyst professional who leverages data to optimize decision-making, enhance business performance, and bridge the gap between technical teams and business stakeholders
